

Pressure Switches

- Square D Brand.
- Two pole design.
- ¼” MNPT connection on bottom.
- FSG2-M4 includes low pressure cut-off with reset lever.
- Adjustable through pressure ratings shown below.
- Cut-Off on high pressure.

PRESSURE SWITCHES							
Product Number	Model Number	Pressure Setting (PSI)	Cut-Out Range (PSI)	Approx. Pressure Differential	Cut-In Range (PSI)	Max. HP	
						115 V	230 V
FSG22040	9013-FSG2	20-40	20-65	15-30	5-45	1.5	2
FSG23050	9013-FSG2	30-50	20-65	15-30	5-45	1.5	2
FSG24060	9013-FSG2	40-60	20-65	15-30	5-45	1.5	2
FSG2M4	9013-FSG-2-M4	30-50	20-65	15-30	5-45	1.5	2
GSG2	9013-GSG2	30-50	20-80	15-30	5-60	2	3
GHG2	9013-GHG2	60-80	65-200	20-40	40-170	2	3

Mercoid Pressure Switches

- Mercoid Brand pressure switches.
- Low amperage.
- High pressure range.
- Other sizes and styles available on request.
- ¼” MNPT connection on bottom of switch.

DA31153R7	5-150 PSI	4	2	6 psig	4

Pulsation Plugs

- Pulsation Plugs for pressure switches and gauges.
- Used to dampen the effect of water hammer and rapid cycling.
- Fitting on the inlet of any ¼” switch on gauge.
