Baker Light Duty Pipe Elevators

Kwik Klamp

- The most popular patented tool used by environmental drillers, pump installers, well servicemen, and well drillers.
- All steel construction.
- Easy one hand operation. Locks when downward pressure is applied to lever.
- Kwik Klamp allows workers to bring pipe joint up to an easy working level instead of bending over for those lower stand pipes.
- Light weight. Only 14 pounds.
- Equipped with serrated and hardened replaceable steel jaws.
- Designed to hold pipes 1" through 2", PVC, stainless, and galvanized.
- Safety pin to prevent accidental unclamping.
